## Weekly Newsletter 12<sup>th</sup> July 2019

### Summer Fair

Despite the grey skies and rain drops in the morning the Summer Fair was a great success. The clouds dispersed in the afternoon making it a very pleasant afternoon.

The Badger bakery did a roaring trade in beautiful muffins and the Owls plant stall did very well. Children enjoyed the fantastic inflatables while parents enjoyed a nice cup of tea or coffee and a piece of cake and looked forward to a nice Saturday night in with any winnings they may have had from the bottle bola!

**THANK YOU** to the brilliant PTA and everyone who supported and made Saturday happen !

### Forest School

This week, Hedgehog Class made woodland people using natural materials and string, and Owl class learned how to make a fire and keep safe and then enjoyed the popcorn they had cooked.

### Transition

This week has been transition for all of the children. From Reception to Year 4, everyone has spent time in their new year groups and looking ahead to September.

## Heart Start

This morning, Owl and Badger Class have been learning simple skills that save lives. The Dane Valley community first responders visited and showed the children what to do in some emergency situations. Please talk to your child about this to see if they can explain some of the lifesaving skills they have learned.

## Request from Mrs Brown,

Does anyone have a cable reel they would be able to donate. this will be used to create a table top or something similar for the outside paly area. Follow the link to see ideas how a cable reel can become something exciting.
